## Inland NW Short Course Season Wraps Up in Pullman

After quick four meets over the course of four months, the Inland NW Masters Short Course season ended in Pullman with the Championship meet. The two day meet had 57 swimmers participating in all 18 short course events, with the largest participants coming from the Moscow Chinook Masters.

The annual awards were presented at the meet, including the most dedicated swimmer Margaret Hair (49, LCM). Margaret has been setting up all the meets, and crunching the meet data for Inland NW Masters meets for more than 10 years. Recently she has been working on converting the Inland NW Masters records to the Hytek system as well as assisting with getting the records online. Margaret is retiring from doing meet entries this summer.

The most inspirational swimmer Mary Adams (50, LCM) was noted by her nominee "as always trying to push herself to swim better."

Two Moscow Chinook (MCM) swimmers took home

Deborah Bell (52, MCM) 2004-05 high point female swimmer

Glen Murray (65, MCM) 2004-05 high point male swimmer

water log and high point swimmer awards. Glen Murray (65) and Deborah Bell (52) made every Inland NW Masters meet, as well as setting records in their respective age groups on their way to becoming high point winners. Other water log award winners (those swimmers attending all Inland NW Masters meets) were Mary Adams, and Sister Madonna Buder (74, UNA), Bill Bresko (77, UNA) and Larry Krauser (51, SCM).

Five Inland NW Masters records were set at the meet including: Christie Skrip (23, WSU) 100 Backstroke; Karli Spear (45, UNA) 50 Breaststroke; Jean Rudolph (83, MCM) 50 Freestyle and 50 Backstroke; Glen Murray 50, 100 and 200 Breaststroke; and Bill Bresko for the 400 Individual Medley. Gary Chase (65, PNA) broke the NW Zone 200 Backstroke record for the 65-69 age group.
